Rating Requirements and Provisions

- In accordance with ACA regulations, HealthPartners charges premiums for up to three dependents under age 21, regardless of family size.
- Upon renewal, premiums for members ages 21 through 64 will be adjusted for age, calculated as the age at renewal.
- 75% participation after eligible waivers.
- Employer will contribute a minimum of 50% of the single premium.
- This renewal of coverage is made with the understanding that the employer qualifies as a small employer under state and federal law. Should information be received that proves the employer is not a small employer, or if there are demographic changes that affect participation, the offer becomes null and void and HealthPartners reserves the right to re-evaluate this proposal to the extent permissible under state and federal law.
