

# Our Company Philosophy

- 
- We strive to follow our Core Values at Castle Building & Remodeling
    - ❖ Professional
    - ❖ Problem Solver
    - ❖ Hard Working
    - ❖ Honest/Open
    - ❖ Customer Oriented
    - ❖ Low Drama
    - ❖ Wants It Done Right!
  - We love older urban homes.
  - We place great emphasis on education and communication.
  - We strive to offer a full-service one-stop shop.
  - We believe in precise planning and open information sharing.
  - We believe in designing projects that are respectful of their environment and have a timeless quality.
  - We strive to provide an exceptional value by allowing our customers to participate in the remodeling process.
  - We hope to get asked back to complete future projects on your wish list and to help you “Make Your Home Your Castle.”
