Subtotal - Category 1			\$	437.50	\$	481.25
2. Site Prep and Demolition						
Site Prep (Includes floor protection, poly curtain walls, and delivery of tools/equipment and set up of job site). Place yard sign and order dumpster. Protect floors through home to work area. Install poly curtain walls and zipper doors to work area.	1 E.	A	\$	389.75	\$	428.73
<b><u>OPTION:</u></b> Furnish and install a Schlage "Camelot" keypad electronic deadbolt. <u>Finish: TBD</u> <u>ADD: \$110.00</u> <b>NOTE:</b> This is priced at our cost with free install. It is a good alternative to having a lock box on your door and you can use it in the future after your project is complete. There are other options that provide "smart" technology as well for a slightly higher cost. Ask your designer for details.	1 E.	A	\$	0.00	\$	0.00
NOTE: Although care is taken to carefully remove tile from walls and floor occasionally screw pops, hairline cracks, and other issues can arise in adjacent spaces; no costs are included in this estimate to patch drywall or repaint walls in adjacent spaces but the need could arise and can be handled with a Change Order. We also use the most expensive and sensitive tape when taping prep to the floor, walls, or trim. If it is a bad or old finish, there is	1 N	ote	\$	0.00	\$	0.00
