Demo the interior wall covering as needed. Make a clean cut in the stucco to demo the stucco directly below the window. Demo the framing as needed to create the new patio door rough opening. NOTE: Although great care is taken and it is almost never an issue, if the stucco chips or if a stucco patch is needed, there will be additional costs. NO stucco work is included in this proposal. NOTE: Although care is taken to carefully remove tile from walls and floor occasionally screw pops, hairline cracks, and other issues can arise in adjacent spaces; no costs are included in this estimate to patch drywall or repaint walls in adjacent spaces but the need could arise and can be handled with a Change Order. We also use the most expensive and sensitive tape when taping prep to the floor, walls, or trim. If it is a bad or old finish, there is a small chance that it may peel some of the existing finish off. Any additional repairs will be an additional charge and dealt with in a non-chargeable change order.	1	l Note	\$	0.00	\$	0.00
